# The Elizabeth Charitable Fund

Providing assistance  
to those in need in  
the local community

The Elizabeth Charitable Fund was set up in 2014 by Reg Haley, a well-known local philanthropist and Linda Bywaters who runs Art Events, in order to provide assistance and support directly to those in need in the local community. Whether for medical equipment, aids or outings their aim is to improve the lives of others. This is a very personal, one-to-one giving that Linda and Reg feel strongly about. No administration fees, salaries or expenses are taken out of donations with 100% going directly to those in need. To date funds have been raised for Reigate and Banstead Women's Aid, Redhill Refuge, St Catherine's Hospice, Meningitis Research Foundation and Calibre Audio Library for the Partially Sighted and Blind.
